

Dear Sir/Madam,

I am excited to apply for the Java Spring Boot Developer role at Accenture Solutions Sdn Bhd (MU). With my expertise in Java development and Spring Boot framework, I am eager to contribute to your team's success by building scalable, efficient, and high-performing applications.

Over the years, I have honed my skills in designing and implementing RESTful APIs, optimizing backend processes. My experience working with microservices architecture enables me to develop modular and maintainable systems that align with modern industry standards. Additionally, I thrive in collaborative environments, having worked closely with cross-functional teams to deliver innovative solutions.

I am impressed by Accenture's customer-first mindset, especially its commitment to delivering high-quality, scalable solutions tailored to client needs. I believe my problem-solving abilities, technical expertise, and passion for developing high-quality applications will make a meaningful impact on your projects.

I would love the opportunity to discuss how my skills align with your needs. Please feel free to reach out at [anisazlan16@gmail.com](mailto:anisazlan16@gmail.com) to schedule a conversation.

Thank you for considering my application - I look forward to the possibility of joining your team!
